DEPARTMENT OF PUBLIC WORKS

CURBSIDE PICKUP REGULATIONS

2010

RECYCLING: For further information call 422-1293

- Recycling is mandatory in Westchester County.
- Plastic bags, of any kind, are not picked up for any type of recycling collection.
- **Paper** recycling is collected on most Wednesdays, except during holiday weeks as noted on the Sanitation Calendar. Newspapers, magazines, catalogs, phone books and paper bags may be placed in a reusable basket or paper bags. Boxes should be broken down and tied together for collection. Please secure your papers so they do not get blown by wind. **Cardboard** items including corrugated, soft cardboard i.e. tissue boxes, cereal, cake mix, etc. and clean pizza boxes . Remove any plastic inserts. Flatten boxes and either place together in a paper bag or tie together for easy collection.
- **Commingled (rinsed bottles, cans and jars)** recycling is collected in the blue recycling bin on your second day of garbage pickup (Thursday or Friday) each week. Plastics labeled with a #1 or #2 in the recycling triangle should be included. No plastic bags, please.

RESIDENTIAL SANITATION: For further information call 422-1217

- Containers for collection must be placed at the curb between **6 am and 8 am** on collection day.
- **Container Regulations:** Typical household garbage should be placed in metal or plastic pails with lids and should not exceed 75 pounds. Loose items must be placed in containers or tied in order to prevent scattering or being blown by wind.
- **Bulk Pick Up:** Non metal, large household items are picked up on the second day (Thursday or Friday) of your garbage pickup. A maximum of ten minutes will be spent on any one location so the city-wide collection schedule can be maintained.
- **Appliances and large non automotive metal items** are collected by appointment only. Remove appliance doors. Due to federal regulations, a Westchester County Freon Compliance Certificate is required for refrigerators and freezers before DPW can pick up. [It is not required to remove Freon from window a/c units at this time] Call 422-1217 to schedule a pickup.
- **TV's & Computer Monitors:** The City does not provide pickup for these items. Drop these items off at the Gedney Recycling Yard, 85 Gedney Way, Mon - Sat. 8:30 am - 4:00 pm.
- **DO NOT LEAVE UNCOLLECTED ITEMS AT THE CURB.**

UNACCEPTABLE ITEMS: For more information Call 422-1217

Property owners / tenants will need to make other arrangements for disposal with a private carting service for the following: brick, stone, concrete, plaster, tile, dirt or similar materials; building or construction debris; car parts, tires or lubricating oils; compressed gas cylinders; hazardous or toxic materials; large tree limbs, stumps or logs; liquids of any kind (paints, oils, etc.); medical waste; metal pipes or poles; propane tanks; recycling mixed with garbage; renovation materials - including fencing; treated wood; items designated by Westchester County as "not collectable".

YARD DEBRIS: [March 15 - October 8th] For further information call 422-1202

Soft yard debris such as grass clippings, small brush, twigs, plants and flowers will be collected, curbside, every other week, noted as "BRUSH WEEK" on the schedule. Containers with the City's "COMPOSTABLE" sticker affixed to them or biodegradable paper bags must be placed at the curb no later than 8 am on your street's designated day of pickup.

COMPOSTABLE STICKERS are available, free of charge, by calling 422-1202 or 422-1294

FALL LEAF PICKUP: For further information call 422-1202

Bagged or containerized leaf collection: To commence on October 12th and continue every three to five working days until mid December.

Loose leaves: At the height of the season, we will begin collecting loose leaves from the property side of the curb every eight to twelve working days until December 1st. Residents and professional landscapers are cautioned not to allow leaves to extend into the roadway, where they present a safety hazard for motorists, cyclists and children. This also reduces the potential for leaves to clog up vital storm drains in the event of adverse weather.

Large size (40 gallon) bio-degradable paper bags are available to White Plains Residents, in lots of ten, from the DPW Gedney Recycling Yard at a cost of \$.50 cents each. [Checks only please]. Smaller (30 gallon) bags are widely available at supermarkets and home and garden supply stores.

The City of White Plains Department of Public Works
